Mr. Peter Unruh

Dear Mr. Peter Unruh,

My name is Eshan Sobti and I am honoured to be this year's recipient of the Kane, Shannon, and Weiler LLP Award. I'd like to take this opportunity to thank you for your generosity in funding this scholarship. Your contribution to my education will allow me to pursue my dreams and study in a field that I have dreamed about.

This September, I will be attending Toronto Metropolitan University to study Media Production. As a creative individual, I am excited to delve into the world of the entertainment industry both in the scenes and behind. When I attend university, I want to be someone who makes an impact on others. I plan to continue to serve any community that I am in, starting with one such as my residence at university.

This award has allowed me to become more confident in my capabilities while showing me that the things that I do truly make a difference. I am very grateful for this award and I once again thank you for your generosity.

Sincerely,

Eshan Sobti
